Welcome to new members: Laura Canelos-Ramon and Brian Goodack were welcomed as new members to the board. The two replaced Dave Reavis and Thomas Weso who had terms which expired.

Training session: *Fair and Impartial Policing: A Science-Based Perspective*. Presented by Kathryn Carter, Director of the Racial Profiling and Biased-Based Policing Unit, Kansas Attorney General's Office. This was the third, and final, portion of the training session. It had originally been scheduled for February 17th, but had to be moved to March 24th due to scheduling conflicts.

The training session was very interactive and lasted until 8:30pm, thus the board elected to defer review of the 2013 Taser Use Report, the 2013 Office of Professional Accountability Report, and the 2013 Voided/Dismissed Citations Report until the next meeting. Copies of each of these reports were given to the board members present and each report has been posted online for the public to access. A board review of the reports is planned for the next meeting.

The next meeting is scheduled for May 19th, 2014 at 7:00pm at the Investigations and Training Center, 4820 Bob Billings Parkway.

Motion to adjourn – Unanimous
